## March 3, 2024

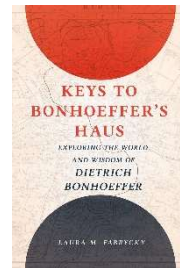

# Welcome to Worship

**GIVE UP SOCKS FOR LENT!:** -- The Presbyterian Women's Group is organizing the collection drive "SOCKS FOR COTS" during this Lenten season. There is a big blue bin in the back of the sanctuary which will stay there until Easter Sunday. The next day all donations will be taken to COTS. We welcome ALL socks! (New socks only, please) Men are needed most but also women and children socks can be donated. Remember, you can donate each and every Sunday between now and Easter

### LENTEN BOOK DISCUSSION – KEYS TO

**BONHOEFFER’S HOUSE** - Sunday, March 17 11:00am, Fireside Room -Pastor John will be traveling to Germany this year to follow in the footsteps of one of his heroes in the faith, Dietrich Bonhoeffer. He will visit the Bonhoeffer Haus in Berlin, where Bonhoeffer was arrested by the Gestapo. Join us for a conversation about this fascinating, inspirational, and very human follower of Jesus. What might befriending Bonhoeffer mean for us and the ways we live our lives today? The book is available through Amazon if you wish to order a copy.

### OUR LABYRINTH NEEDS HELP! --After weeks of rain, the paths of our

temporary labyrinth are choked with grass and weeds, making them impossible to walk. Clearing the perimeter and a small section of path took hours of hand labor. Do any of you have black plastic tarps that we can use to lay over the labyrinth for a week or so to kill the grass? It's a big space, so we'll need several tarps. Please let Phoebe Antonio or Mike Roberts know if you have black tarps (need black to fully block the light) or can help with this project. Once the weeds are gone, we can keep them under control with non-toxic spraying.

In order to light the labyrinth for our Maundy Thursday service on March 28, we need to clear the paths as soon as possible.
